

Sacred Healing Meditation

Your Experience of Divine Love

Rev. Scott Sherman is here to share with you the Sacred Healing Meditation – a profound experience of Divine Love

Comments from Participants:

“I don’t remember ever feeling this good in my life!”

“Scott, you are a miracle worker. I haven’t had a migraine since you did your “healing” on me.

God thanks you and so do I.”

“Within three weeks of my mother’s Sacred Meditation, she was over her three years of clinical depression.

Her doctor took her off all medication a few weeks after that. I consider it a miracle.”

“WOW!!! with four exclamation points!”
